IADC ART Reliability & Guidelines Subcommittee Meeting
8:30 am, Tuesday, 12 April 2011
IADC – Houston, TX

Attendees:

Frank Cummings, Athens Group
Tony Beebe, ExxonMobil
Mike Killalea, IADC
Tim Mournian, Marine Cybernetics
Jack Colborn, National Oilwell Varco
Andres Gurdian, National Oilwell Varco
Robert Urbanowski, Precision Drilling Oilfield Services Corporation

Minutes:

1. Robert Urbanowski welcomed the group.
2. Everyone at the meeting indicated they were familiar with the IADC's **Antitrust Guidelines**, so they were not reviewed in detail during the meeting.
3. Development of an IADC **Downtime Statistics Program** was discussed. The draft list of information and rig types / areas of operation for data were reviewed. How to get Operator and Contractor buy-in to participate in this effort was discussed. It was decided the draft would be submitted to the full IADC Advanced Rig Technology Committee for further review and discussion on how to gain Drilling Contractor support at a high level.

< Action Item >: R. Urbanowski to submit draft Downtime Statistics document to IADC ART Committee.

4. A revised Mission Statement, Goals and Objectives were discussed. The IADC Website still has separate items for "Guidelines" and separate items for "Reliability". Goal is to combine and update these to reflect the current efforts of the subcommittee.

< Action Item >: R. Urbanowski to submit revised Mission Statement, Goals and Objectives to IADC ART Committee for their review/approval.

5. New Business:

General efforts of the SPE's Drilling Systems Automation Technical Section (DSATS) Risk & Reliability Work Group were discussed.

Efforts of a separate "Top Gear" workgroup of Operators, Contractors and service companies involved in offshore drilling efforts to improve reliability were discussed. Jack Colborn, who is a member of the "Top Gear" group, offered to keep this subcommittee informed as to their progress.

6. The next meeting will be scheduled for 21-June-2011 at 08:30 CST at the IADC office.
7. The meeting was adjourned.
