IADC ART Drilling Control Systems Subcommittee Meeting
8:30 am, Tuesday, 9 November 2010
IADC – Houston, TX

Attendees:

David Wagner - AWC, Inc.
Mike Killalea – IADC
Fred Florence – National Oilwell Varco
Clinton Chapman – Schlumberger
Wayne Cantrell – Seimens Energy & Automation, Inc.
Terry Loftis - Transocean

Minutes:

DCS Vice Chairman Terry Loftis convened the meeting. IADC antitrust guidelines were reviewed.

TL and Fred Florence reported separate conversations with Energistics. Energistics is willing to help DCS and DSATS, but have indicated that industry must define what they wish.

TL will prepare a white paper on the DCS meeting and circulate before the next meeting, which will be 1130-1330 on Monday, 15 November 2010 at Transocean, 4 Greenway Plaza, Houston, TX 77046. The purpose of the meeting will be to brainstorm and define drilling scenarios for the DCS SC to focus on. The white paper will be prepared in advance of this meeting.

There being no further business, the meeting was adjourned.
