IADC RIG PASS
ACCREDITATION PROGRAM

BULLETIN RP10-01

April 2010

This bulletin is issued to all training providers that are accredited or are now in the process of completing an Application for Rig Pass Accreditation.

HSE RIG PASS COURSE CURRICULUM CHANGED

The Rig Pass Accreditation Program curriculum has been revised. Curriculum changes are effective immediately for all new HSE Rig Pass applicants. Currently accredited training providers must implement the revised curriculum no later than **28 October 2010**.

Major revisions have been made throughout the curriculum. **Section XVI – Pits and Ponds** has been added to the **Land Endorsement**. Other topics have been added or reworded. Topics added or revised in the existing curriculum are annotated in **blue** font, please see attached copy of the new SCO-3 curriculum. The newly revised SCO-20 and SCO-3 can also be found on IADC's website <http://www.iadc.org/rigpasshse>.

Accredited training providers are not required to extend their current course time when incorporating the new topics.

Currently accredited training providers must:

- Revise their HSE Rig Pass curriculum
- Complete SCO-3, page 18 (Rig Pass Application for Accreditation) and submit to IADC for review **no later than 21 June 2010**
- Implement new curriculum no later than **28 October 2010**, and
- Notify Accreditation and Certification Department staff once the revised curriculum has been implemented.

For more information, contact IADC or consult the HSE Rig Pass web site at <http://www.iadc.org/rigpasshse/index.html>.

This bulletin supersedes all previous versions of SCO-20, SCO-3 and all HSE Rig Pass Notices, Letters or Guidance dated prior to April 2010.
