

**Application for Accreditation as an IAWC Training & Assessment Centre**

To apply for accreditation under the International Well Control Alliance, an organisation must be both an IADC/WellCAP accredited training school and an IWCF accredited Assessment Centre.

1. If you only have WellCAP approval, please complete this form and send it to the IWCF address at the foot of the form. The IWCF will then send you the appropriate application form.
2. If you only have IWCF accreditation, please complete this form and send it to the IADC address at the foot of the form. The IADC will then send you the appropriate application form.
3. If you have both WellCAP and IWCF accreditation, please complete this form and send it to the IWCF address at the foot of the form.
