RIGPASS**

INSTRUCTOR APPLICATION

Submission of the RigPass® Instructor Application does not guarantee certification, but is only the initiation of the process for seeking certification by IADC. See SCO-01 RigPass Handbook of Accreditation for details. The RigPass Panel has authority to make the approval decision based on their Subject Matter Expertise (SME).

INSTRUCTIONS: Each instructor must submit his/her own application. The application must be filled out completely, in *ENGLISH*, without referencing a resumé or curriculum vitae. **(Please refrain from writing “see attached.”)** **Submit the application, supporting documentation, and proof of payment in PDF format to rpinstructors@iadc.org.**

SECTION 4—QUALIFICATIONS

Applicants should provide evidence of subject matter expertise in both HSE for oil and gas, and in teaching or training. Please review the following three required sections and check all that apply.

Requirement 1 - HSE Subject Matter Expertise for Oil and Gas, may be satisfied by any one of the following:

- ☐ Twelve (12) months HSE or operational experience in the Oil and Gas Industry
- ☐ HSE-related college degree from an accredited institution
- ☐ Twelve (12) months of other relevant HSE experience (e.g., First Responder with current license and/or certificate)

Requirement 2 - Subject Matter Expertise in Teaching/Trainee, may be satisfied by any one of the following:

- ☐ Teaching Certificate
- ☐ Current Instructor/Trainer Certificate (e.g., Red Cross Instructor, OSHA 501, OSHA 511, or any international equivalent)
- ☐ Twenty (20) instructional hours documented (e.g., timesheets, letter from employer or supervisor, safety meetings or courses)
- ☐ Twelve (12) months of other relevant teaching/training experience (e.g., Training Officer)

Requirement 3 – May be satisfied by any one of the following:

- ☐ Observed delivery of RigPass Training—instructor candidate will be observed by a qualified observer delivering at least one complete RigPass course. Provide instructor log, or submit form SCO-35 as evidence of observation
- ☐ Evaluation by Auditor – The instructor candidate will organize a pilot class with a minimum of four (4) participants and be observed delivering a RigPass course during the Provider's initial site audit. *Note: The auditor will be provided a checklist that guides him or her in evaluating the instructor's effectiveness in delivering the content.*
- ☐ Industry Recognized HSE Course Delivery – The instructor candidate will provide documentation of delivering at least one complete industry recognized HSE course

Evidence of satisfying the above three requirements must be submitted with this application, and are subject to IADC review and approval. Examples of suitable evidence include certificates, Instructor Observation Form (SCO-35), instructor logs, letters of recommendation, and other documentation.

SECTION 8—APPROVAL & AUDIT POLICY AGREEMENT

Contingent on receipt of approval by the International Association of Drilling Contractors ("IADC"), the Instructor submitting this application ("Instructor") hereby agrees to the following conditions:

1. ATTESTATION AND AGREEMENT

The Instructor agrees to indemnify and hold harmless IADC and their directors, officers, members, employees, and agents from and against any and all liability, loss, damages, costs, or expenses, including reasonable attorneys' fees, which they may incur, suffer, or be required to pay by reason of, or in consequence of, Instructor's actions, or breach of this Agreement or any acts or omissions of IADC in respect to the right granted hereunder to obtain approval or to display formal approval certificate, or that may be sustained or incurred in making any investigation on account of any claim, loss, damage, or expense, or in defending or prosecuting any action, suit, or other proceeding that may be brought in connection therewith, or in enforcing any of the obligations herein contained, or in obtaining a release from liability in connections therewith.

2. APPROVED INSTRUCTOR DUTIES

The Instructor voluntarily agrees to accept IADC's accreditation standards and to submit necessary information for participation as an approved Instructor in accordance with procedures set forth in the Handbook of Accreditation (Form SCO-01). Failure to submit necessary supporting information and to abide by accreditation standards shall be due cause for revoking this agreement and any approval that has been granted to the Instructor.

3. APPROVAL DETERMINATION

The Instructor shall be deemed "approved" when IADC has determined that the applicant meets Instructor standards and IADC has issued a formal certificate to the applicant enabling applicant to publicly stipulate the Instructor's compliance with approval procedures and standards. Instructor may publicly display said certificate only during such period as the Instructor is in compliance with the accreditation procedures and standards. Instructor shall not display the certificate when the necessary panel's finding of compliance has been withheld or withdrawn. Subject to the right of due process appeal defined in the accreditation procedures, Instructor shall abide by the decision of IADC as to the compliance or noncompliance of Instructor with applicable approval standards. Instructor shall not permit the display or use of the certificate other than as permitted by IADC and the terms of this agreement and the accreditation procedures. Use of the certificate in contravention of this agreement will be due cause for IADC to revoke this Agreement and to issue a public announcement to this effect in accordance with the provisions of the Handbook of Accreditation.

4. INSTRUCTOR APPROVAL PROCEDURES

Both IADC and the Instructor shall follow and be controlled by the procedures and rules regarding the formulation of standards, reporting of information, complaints, display of formal certificates of approval, and due process appeals from decisions of IADC and other matters to which this Agreement refers, as set forth in the Handbook of Accreditation developed and periodically reviewed and updated by IADC.

5. INSTRUCTOR'S GOOD FAITH COMPLIANCE

Instructor shall use all practical means at his/her disposal continuously to assure that the services he/she provides fully comply with the applicable approval standards at all times.

6. RIGHT TO AUDIT

When a site visit to audit an Instructor is required, requested, or otherwise deemed necessary or desirable by IADC, IADC notifies the Instructor of the approximate dates of a site visit. If a site visit is declined and cannot be scheduled to the mutual agreement of IADC and the Instructor, the Instructor will be placed on probation, notwithstanding the provisions of appeal in the accreditation procedures. Upon scheduling a site visit, IADC selects, from a list of names it has approved, the site visitor(s). Detailed arrangements for the visit are made through direct contact between the Instructor and the site visitor(s).

7. CHARGES OF INSTRUCTOR NONCOMPLIANCE

Instructor agrees that, if a claim of noncompliance with approval/accreditation procedures or standards is filed against Instructor, Instructor will promptly comply with any requests of IADC for necessary information. Instructor or the company contracting Instructor or company Instructor is directly affiliated with agrees to reimburse IADC for any expenses related thereto, unless the claim was filed by a Program and is found to be without merit, in which case the charging Program shall reimburse IADC. Instructor or the company contracting Instructor or company Instructor is directly affiliated with agrees to reimburse IADC for expenses incurred in connection with a meritless charge that it files.

8. APPROVAL REPRESENTATION

When reference is made to Instructor approval at any time, only the following shall be referred to or used: 1) The term "IADC Approved"; 2) an official certificate or stamp issued by IADC, provided such certificate or stamp shall be printed in full, without alteration of any kind; or 3) an approved version of the IADC logo and trademark owned by IADC and whose nonexclusive use by Instructor is hereby licensed to Instructor upon official notification that Instructor has received approval. IADC shall have the right to notify Instructor of any material used or issued by Instructor that IADC considers to be misleading to the public in regard to any reference to IADC or to Instructor's approval, and Instructor agrees on receipt of notice from IADC to terminate use of such materials and take such other steps as IADC may deem appropriate in the public interest.

9. INDEMNIFICATION AND HOLD HARMLESS

Instructor agrees to indemnify and hold harmless IADC, the Panel and their directors, officers, members, employees and agents from and against any and all liability, loss, damages, costs, or expenses, including reasonable attorney's fees, which they may incur, suffer, or be required to pay by reason of, or in consequence of, Instructor's actions, or breach of this Agreement or any acts or omissions of IADC or the Panel in respect to the right granted hereunder to obtain and to represent approved status or to display formal approval certificate, or that may be sustained or incurred in making any investigation on account of any claim, loss, cost, damage, or expense, or in defending or prosecuting any action, suit, or other proceeding that may be brought in connection therewith, or in enforcing any of the obligations herein contained, or in obtaining a release from liability in connections therewith.

10. DURATION AND TERMINATION OF AGREEMENT

Instructor agrees that IADC may, within ten (10) days written notice to Instructor, terminate this Agreement for any of the causes set forth in this Agreement and in accordance with the due process stated in the accreditation procedures. Otherwise, this Agreement shall be effective on the date of issuance of Instructor's Certificate of Approval.

THE UNDERSIGNED HEREBY ATTESTS THAT ALL INFORMATION CONTAINED IN THIS DOCUMENT AND ALL SUPPORTING DOCUMENTS ARE ACCURATE AND COMPLETE.
