

IADC World Drilling 2019

CONFERENCE & EXHIBITION

Spouse Program

20 JUNE 2019

A TASTE OF ITALY - CULINARY EXPERIENCE

Do you like authentic Italian cooking? Please join us at our IADC World Drilling Spouse Tour 2019.

Aurora Muti will share with us her family recipes and she will teach us how to cook some traditional Italian dishes that you can show off at home!

Menu

This Italian experience will begin with welcoming drinks and appetizers, the menu will be introduced, followed by the Cooking Class.

We are going to make some hand made fettuccine from scratch with a Bolognese sauce. We finish it off with a traditional tiramisu!

We will enjoy our own food after our hard work accompanied by some good Italian wine.

You go home with an Italian cooking class certificate!

Please let us know if you have any dietary requirements
