

International Association of Drilling Contractors

ART DCS Subcommittee Meeting

19 May 2016

9:00 – 10:30

IADC

10370 Richmond Ave., Suite 760
Houston, TX 77042

Minutes

Welcome and Introductions

Trent Martin – Chairman – Transocean

Review of Antitrust Guidelines and Facility Orientation

IADC – IADC

Discuss alarm workgroup experiences until today

General discussion on experiences and approach of the development of the Alarm Management Guidelines

- 3 Task groups - Roles and Responsibilities. - Chris Goetz
- Alarm Management Philosophy – Mike Lyssy
- Rationalization and Management - Erlend Engum

Discuss what's needed to close 'Guidelines' document

The draft document available for review:

<https://docs.google.com/document/d/1xGm8zbXYRHsKDzaJJ911rEA5XrdYa69yz6kuMJDzeMk/edit?usp=sharing>

Document should be reviewed by the DCS group together prior to workshop September.
DCS to dedicate a meeting for the review.

Roles and responsibilities - try to genericize the roles so that they are not specific (e.g. equip maint, equipment users, rig management).

SPE Suggest for a meeting at IADC to present update on KPI. ACTION: Trent to contact Moray Laing).

WORKSHOP: 15th September. - Currently schedule from Noon to 5pm. Located Here at IADC, ½ day

- Introductions , Safety Moment (30min)
- Anti-Trust - (5min)
- Team to present work to date - (30 min)
- Review of Draft Document (1hr.)
- Introduce Rig of Future – and Philosophy (30min)
- *Under consideration:* using the rig of the future develop a very high level, generic philosophy in advance of Workshop. Then during the workshop look at doing a session on stepping

International Association of Drilling Contractors

through an alarm rationalization during the workshop – with a fake alarm list developed by the team in advance. (1.5 hr)

- Closing and summary. (15min)

Trent Martin – Chairman – Transocean

Next Meeting Schedule and Adjournment

Tentatively 28th June am. – Development of the ROTH and Philosophy in advance of the workshop

Scheduled meeting on 21st July – Review of Draft Alarm Management Guidelines
