Mark Greenhow, Frigstad offshore (On the phone)

Alex Maroske, Energy Drilling

Agenda

1. IADC Updates
2. Spills guidance note, review of 4th draft
3. Other business
4. Next meeting

Welcome

Chairman welcomed to the meeting, and noted a small but rather elite group were present.

IADC updates

The annual meeting in HCM is coming up on the 8 dec. Mark is going, Bo is intending on going.

The HSE Conference in Malaysia in March 2017 is looking for participants, please spread the word through your networks. Bo is Speaking, Alex and Mark are still unsure.

Spills

4th draft reviewed.

There was focus on cleaning up the document and making it crisp and clean

We need assistance with how to proceed with this document, as well as the drug and alcohol guidance note.

Other business

Nil.

Next meeting

The next 2 meetings were agreed on.

3 Feb 2017 @ 10.30 Mark has offered to host

28 Apr. 2017

We will continue with the combination of face to face and the option to dial in.

Closing

The meeting was closed off by thanking participants for their input.

Until next time

Stay safe

Bo D. Johansen
HSE Committee Chairman
