About the IADC Drilling HSE&T Europe 2021 Conference & Exhibition
Get ready for a brand-new IADC Drilling HSE&T Europe 2021 Conference & Exhibition! To be held at Amsterdam Marriott Hotel in the heart of Amsterdam, the 2019 conference will feature dynamic and interactive sessions, as well as professionally moderated panel discussions, that will provide attendees with insights into industry-leading HSE&T trends.

As the drilling industry continues to grapple with challenging economic conditions, it must search for innovative ways to advance health, safety, environmental protection and training while adhering to strict cost constraints. With this in mind, the IADC Drilling HSE&T Europe 2021 Conference & Exhibition is being organized to go above and beyond traditional industry conferences. In addition to offering high-quality informational presentations by subject matter experts, parts of the conference will be dedicated to highly interactive break-out sessions that will be formatted to stimulate discussions and new ideas and to engage all participants – both speakers and the audience – to create a true learning environment. Every participant will be able to leave with key takeaways that can be used to directly impact day-to-day operations.

About IADC

IADC’s mission is to advance drilling and completion technology; improve industry health, safety, environmental and training practices; and champion sensible regulations and legislation which facilitate safe and efficient drilling.

About IADC Conferences
IADC conferences are industry-driven events focusing on the critical issues facing the global drilling industry. Whether it’s enabling and cutting-edge drilling technology, well control, health, safety, environment, training, or industry economics and financial outlook, IADC’s worldwide program of events brings together the right people in the right venue.

When sponsoring an IADC event you will be enhancing and contributing to your industry!
IADC is extremely appreciative of its sponsors and takes every opportunity to promote these generous companies. When sponsoring this event you will get high visibility with your target audience.

IADC depends on sponsorships from the industry to help cover the expenses for not only the important conferences we organize, but also all the other IADC initiatives we develop to serve the drilling industry.

The conference sponsor will receive high profile recognition before, during and after the conference.

Companies will be well recognized during the event with sponsor signs, oral recognition from the conference moderators and logo’s placed on the promotional slides during the breaks.
