Attendee introductions

Pablo and Luis provided an update on Chapter membership - 10 members have joined

Luis shared that the Chapter announcement is being sent to prospects in Mexico, drillers and operator companies.

Carlos went over IADC LATAM website, link: <https://www.iadc.org/chapters/latin-america/>

The website was updated today with FAQ's, encouraged everyone to navigate the website and encouraged the group add to questions to FAQs: <https://www.iadc.org/chapters/latin-america/#faq>

For questions about Membership, please contact the Chapter via Luis Miguel Labardini and Pablo Christlieb (Marcos & Associates).

Mike shared board structure with new members, differentiation between IADC and its Chapter network.

Meeting frequency was discussed, the board wants to keep meeting once a month, to ensure traction and continuity of momentum.

***SAVE THE DATE ***

General Annual Meeting is December 10th.

As soon as details are finalized, we will send out an invitation for distribution. Carlos shared that there would be a polling exercise to determine focus for 2021, fantastic speakers, and a rotational region focus by country: Argentina, Colombia, Guyana, Mexico, etc.

Registration fee for the event is intended to recover cost for speakers/expenses and cost conscious. There will be a member/non-member consideration.
